timing on the Chron 3/7/73 FBI Fed Nixon Data on Mongista story and the Kraft umn of 3/19, Declining Stature of the FBI are perfect. They remind me of what I'd gotten some time ago, that we should prevare a selection of such illustrations for rt use, perhaps before the Supreme Court, in the spectro case, the Williams affidavit viding a perfect use. (inside the governmarnment and on a need-to-know basis only!). o think that is Bud is willing and would do something now, the W fung shui (?) in perfect harmony, thanks to shuimen. The problem here will not be legal, whether not their is a legal foreclosure, as I think there is not, but Bud's Garrisonian itude, if I think of something, he is resentful because he didn't.
